Dear Mrs. Nicolet:

Re: Proposed ANNEXATION NO. 358 to the
City of El Monte

At the meeting held July 28, 1965, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Glenn F. Welch with his letter filed July 14, for the proposed annexation of territory to the City of El Monte.

The boundaries submitted conform with record lines, lines of ownership, and existing city boundaries. No corridor of unincorporated territory is created by the boundaries; however, this proposed annexation divides an existing island of unincorporated territory into two islands.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,

GORDON T. NESVIG
